

flexiforce^{FF} Industrial torsion springs power & reliability

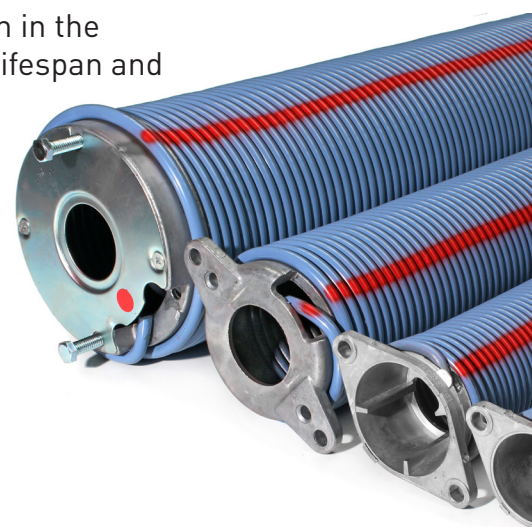

**Custom-made springs designed for heavy-duty industrial doors
Built for safety, durability and consistent performance.**

Why choose FlexiForce springs?

FlexiForce manufactures torsion springs in-house at our advanced production facility in Hungary. With decades of experience and a leading position in the European market. We deliver springs built for heavy-duty use, long lifespan and consistent performance.

- **Up to 40% longer lifespan**
thanks to shot-peening and powder coating
- **Zero cutting waste**
with our unique fix spring service
- **Fully assembled**
with spring fittings, fillers, grease and color marking
- **European product and quality**
made from high quality steel, rigorously tested
